PROFESSIONAL PROFILE

Full Stack Developer building modern web applications with React, Next.js, Node.js, Express, Django, MongoDB, and PostgreSQL. Experienced in developing responsive interfaces, REST APIs, authentication systems, and complete web solutions. Focused on clean, maintainable code with emphasis on user experience and performance.

SELECTED PROJECTS

FitWell — Health & Fitness Platform

Django · Django REST Framework · PostgreSQL · JWT · Swagger · Docker

Backend platform with REST API for health and fitness content management.

- Developed REST API endpoints for articles, comments, and user management with JWT authentication
- Integrated Swagger documentation and Docker containerization for production deployment

OpticGlass — Premium E-commerce Application

React · Vite · Tailwind CSS · Node.js · Express · MongoDB

Modern eyewear e-commerce application with focus on product presentation and user experience.

- Designed responsive product catalog and detail pages with Tailwind CSS and reusable components
- Implemented scalable frontend/backend architecture with MongoDB integration and Express API

Restaurant App — Discovery Platform

React 18 · Vite · Tailwind CSS · Zustand · i18next · Framer Motion

Restaurant discovery platform with multilingual support and comprehensive testing.

- Built responsive restaurant and dish discovery interface with dark mode and SEO optimization
- Implemented Zustand state management and i18next for multilingual support

EXPERIENCE

Full Stack Developer — Personal Projects & Portfolio

2024 – Present

- Developed and deployed modern web applications using React, Next.js, Node.js, Express, MongoDB, Django, and PostgreSQL
- Built responsive frontend interfaces and RESTful backend APIs with JWT authentication and protected routes
- Implemented Git version control, CI/CD with GitHub, and deployment on Vercel and Render platforms

Digital Marketing & Web Creator — Personal Projects

2024 – Present

- Created digital concepts combining web design, branding, and landing pages for online presence
- Applied marketing principles for project presentation and user engagement strategies
- Developed SEO-optimized content and UX writing for digital platforms

IDF Service — Guivati Unit

2019 – 2022

- Completed full military service in structured environment requiring discipline and teamwork
- Developed reliability and ability to work under pressure in challenging conditions
- Gained experience in collaborative team operations and mission-driven projects
